With a performative tombola by Iginio De Luca

On **Wednesday, 11th December 2019** AlbumArte, independent non-profit space for contemporary art in Rome, invites the public to *AlbumArte 20x20, 2019*, a group exhibition curated by **Claudio Libero Pisano**, presenting 55 artworks by 55 artists in a 20x20 format.

The works, kindly donated by the participating artists to the association, will be available at the symbolic price of 99.99 euro and it will become a significant contribution for the future projects of AlbumArte. These are all unique pieces, with certificate of authenticity.

The evening will end with a **performative tombola by Iginio De Luca**.

AlbumArte 20x20, 2019 is a party, a meaningful and intense moment of exchange of intentions of a group of emerging and established artists, who want to support AlbumArte ideals and it certainly is a good opportunity to purchase an artwork at a symbolic contribution, noticeably below their actual quotations. Each artwork will be accompanied the caption *opera unica in occasione di AlbumArte 20x20, 2019* (unique work made for *AlbumArte 20x20, 2019*), stated in the back of the work or in the certificate of authenticity.

AlbumArte has been flooded by this wave of creative and generous appreciation, thus affirming, once again, its effective presence in the artistic reality of the capital and beyond.
